

Guaranty Bank and Trust

A Colorado Bank

Guaranty Bank and Trust has over 60 years of experience serving the Colorado Front Range. Our focus remains on building strong relationships with our customers and communities by offering a full complement of lending, treasury management, wealth management, and depository services to individuals and businesses in the state of Colorado. Practical advice, personalized solutions and local decision making—exactly what you need from your financial partner.

Portfolio of Services

Business Loans: Offering revolving lines of credit, term loans, letters of credit, owner-occupied real estate loans, and acquisition financing to businesses headquartered predominately in the Rocky Mountain Region.

Real Estate Loans: Offered to real estate investors and developers of residential, retail, office, and industrial properties and businesses looking for interim construction or long-term financing to build, acquire or refinance owner-occupied real estate.

Small Business Administration (SBA) Loans: A designated Preferred Lender by the SBA, Guaranty Bank offers SBA loans that can be used to acquire an existing business, purchase equipment, finance owner-occupied real estate, or provide needed working capital.

Personal Loans: A variety of solutions are available to finance major expenses such as a remodeling project, a new or used vehicle—even a well-deserved vacation.

Treasury Management Solutions: Maximize your organization’s cash flow and reduce costs with remote deposit capture, ACH origination, positive pay, wire transfers, merchant card processing, payroll processing, and more.
