Tell-A-Friend and you'll both get this free gift!

More than five years in the making, Planet Earth redefines blue-chip natural history filmmaking and continues the Discovery Channel's mission to provide the highest-quality programming in the world. The series will amaze viewers with never-before-seen animal behaviors, startling views of locations captured by cameras for the first time, and unprecedented high-definition production techniques. Award-winning actress and conservationist Sigourney Weaver narrates.
