A SPECIAL NOTE FROM FLO

It is with mixed emotions that I share with you my retirement from Guaranty Bank and Trust Company at the end of the year. My retirement will also mark the conclusion of the Guaranty 50 Club.

I have been blessed with the opportunity of working with seniors since the early 1980's and have made life long friendships. So many of you have been very loyal by following me from bank to bank and that truly warmed my heart.

Throughout the years it has been a passion of mine to provide a variety of activities for people to participate in. I have relied on a very valuable group of people who served on my Advisory Boards, offering support and helping at events. I have had the joy of working with Wes Sargent for a majority of my banking career.

I hope those of you who were able to go on the trips or attend events have wonderful memories of those times. It has been a great ride; we have attended shows, dinner theatres, wonderful tours, gone on extended trips (the Broncos trips were my favorite). Some unusual times also such as when the bus got stuck in the mud in Colorado Springs, coming home in a blizzard from Cheyenne, rain and hail on a trip from Cripple Creek and on and on.

I will continue to stay involved with the community and will enjoy time with my wonderful family.

Happy trails, and bless you all.
